School has great importance in a child's life. Apart from education, school helps in the overall development of children by teaching them real life skills. Generally, the future of children is determined by the school environment during their formative years. This environment includes the education standards of the school, facilities, support to the child, development of social skills, enhancing the intelligence of the child and helping the child understand emotional values.

Thank you

ChandanKumar (RishabhSharma) Class 2nd B

knowledge. We put so much emphasis on passing exams that we refuse to think out of the box we have created binding ourselves in the syllabus. We all have that experience of preparing for the exam whole night before the examination and next day giving the examination very well but that cramming syllabus lasts only for a week and after that it's all blank in our memory. Now we are so obsessed with passing Examination that we have forgot the ultimate motive of studying that is gaining knowledge and skills.

It's absurd how people train and torture themselves to pass examination like Joint Entrance Examination. It's only because people put so much stress on passing Exams, various institute have been developed whose only motto is to train people to pass Exams. The institutes have made educational system a business and we are the people who are supporting them . The institutes don't talk about the where and how things came from they just train the person to solve the problem .

SPORTS AND THEIR ROLE IN STUDENT'S LIFE

Sports and education have a vital role in our lives, but beyond just the fun and games, sports and games have an important role to play in education also. They teach students life skills like teamwork, leadership, accountability, and patience. They also help to build confidence, teach social skills, and provide a sense of belongingness for the family and society.

Importance of Sports in Education The benefits of sports and games in education are numerous. Some of them are discussed below:

- **Physical Fitness**-Regular exercise can help students stay active and healthy and reduce the risk of obesity, heart disease, anxiety and depression. Yoga , meditation and various other activities must be performed at the school level regularly in order to make the students stress free.
- **Sports Skills:** Sports and education provide an excellent opportunity for students to develop social skills. Participating in team sports, for example, can help students learn how to work together, communicate effectively, and resolve conflicts. Students who have strong social skills develop more positive relationships with peers and are more likely to succeed academically and in life.

Conclusion:

Adjoining sports in education is not only a exciting way to transform the learning experience, but it can also have some serious effects on a child's holistic development. In fact, they can play a role in helping students become more confident and have better self-esteem.

ABCS , where dreams take flight,
Children gather, their futures bright.
With minds ablaze, they seek to find,
The endless realms of humankind.
Arise, young minds, with courage bold,
In wisdom's arms, let truths unfold.
With every step, let knowledge be,
The guiding star that sets you free.
Awake, dear souls, to dawn's embrace,
Embrace the challenge, face to face.
For every trial, a lesson learned,
In every stumble, wisdom earned.
Ascend, O youths, to heights unknown,
Let passion's fire become your own.
With wings of hope and dreams unfurled,
Embrace the journey, seize the world.
In this school of wonder and delight,
Let curiosity ignite.
For in the pursuit of truth and grace,
Lies the path to a brighter space.
Arise, awake, ascend, my dear,
For greatness waits when you draw near.
In every heart, a spark ignites,
To illuminate the darkest nights.
So let this anthem fill the air,
A tribute to all who dare.
To rise, to wake, to ascend, and soar,
Forever reaching for something more.

So how can you make good use of 'Me Time'?

- Create a Schedule
- Ask yourself, 'How am I doing right now?'
- Ask yourself, what you can do to make the situation better and put a smile on your face.
- Avoid the electronics
- Cut down on social media
- Spend some of your 'MeTime' to daydream, about your dream project, your career.
- Don't forget self-care.
- Make time for your hobbies.

ए.बी.सी.एस.के नन्हे सितारों उठो जागो और ऊंचाई को छू जाओ
सपनों को पाने का समय आज आया है।
निरंतर प्रयास करो, मन को प्रेरित करो।
अपने सपनों को साकार करो, खुद को पहचानो।
तुम्ही इस देश का उज्ज्वल भविष्य हो।
चाहे गिरो लेकिन बस इन कदमों को ना रुकने दो।
संघर्ष के माध्यम से उन्नति को प्राप्त करो।
अपनी सीमाओं को चुनौती समझो, और पराक्रम दिखाओ।
हिम्मत से सब कुछ हो सकता है, बस विश्वास रखो।
सपनों के पीछे भागो, नवीनतम ऊर्जा को खोजो।
कठिनाइयों को अवसर मानो, और सफलता की ओर बढ़ो।
अपनी ए.बी.सी.एस. से भविष्य की शुरुआत करके निरंतर आगे बढ़ो।
अपने मां-बाप शिक्षक ही नहीं देश का नाम रोशन करो।
संघर्ष का सामना करो, और सफलता की ऊंचाई पर पहुँचो।
ना रुकने दो इन कदमों को तुम बस यूँ ही आगे बढ़ने दो।

CREATIVITY - A hidden talent

The one who is creative,
They are little bit sensitive.
The one who has creative mind,
Towards others they are really kind.

They don't express by saying,
They express by their art and crafting.
They are unable to express in front of all,
They express through their hidden talent,
But have fear to express to all.

Everyone has a hidden talent,
Just like by heat only, iron is bent.
Everyone is odd,
But all are made by god.

Everyone has a weak point,
Some overcome it and makes it a strong point.
But some are unable to overcome it,
As they are threatened by their fear a little bit.

स्कूल में पढ़ाई होती थी

लेकिन मस्ती भी बहुत होती थी

पनिशमेंट के बिना दिन नहीं निकलता था

क्योंकि गलती हमारी होती थी

लास्ट पीरियड में मैम हिंदी बहुत अच्छे से पढ़ती थी

लेकिन नींद भी बहुत आती थी

हमारी हिंदी की टीचर की बात निराली थी

हिंदी की अध्यापिका होकर इंग्लिश बोलना सिखाती थी

इंग्लिश टीचर हमें इंग्लिश तो पढ़ाती थी

लेकिन होमवर्क पूरा न होने पर डायरी में नोट हमेशा डालती थी

हमारे विज्ञान वाली मैम फोर्थ पीरियड में आती थी

लंच हो जाता था लेकिन कोई अपनी सीट से नहीं उठेगा,

बोलकर थोड़ा और पढ़ाती थी

माना की कम्प्यूटर वाली मैम अच्छे से पढ़ाती थी

लेकिन कंप्यूटर लैब बड़ी मुश्किल से ले जाती थी

सामाजिक विज्ञान की टीचर क्लास का हल्ला सुनकर गुस्से में आती थी

अगर क्लास को कोई डिस्टर्ब करेगा तो उसे उठा कर बाहर फेंक दूंगी,

बोलकर डराती थी

इस बात को सुनकर हंसी भी बहुत आती थी लेकिन कुछ भी कहो मैम

बहुत अच्छा पढ़ाती थी

प्रिंसिपल मैम हमें डाटती थी

लेकिन हमारे भविष्य के लिए बहुत समझाती थी व सही राह दिखाती थी

गोप्स के लिए मना नहीं करती थी

लेकिन पढ़ाई को भी महत्व दो ये हमें समझाती थी

डायरेक्टर सर अपनी स्पीच में बहुत

महत्वपूर्ण बातें बताया करते थे

स्कूल का ही नहीं पूरे देश का नाम रोशन करो, यह सिखाते थे

जब क्लास में गंदगी हो जाती थी

लेकिन हाँ स्कूल में पढ़ाई तो होती थी

लेकिन मस्ती भी बहुत होती थी ।।

मेरे स्कूल के दिन

मेरे स्कूल के दिन बड़े निराले थे। याद करके मीठी मीठी सी गुदगुदी हो रही है मीलों दूर पैदल चलना पीठ पर बैग लगाए अपने सपनों के पीछे भागते स्कूल पहुँचते थे। हमारे पास ना मोबाइल न इंटरनेट या कोई आधुनिक तकनीक नहीं थी फिर भी सीखने का जज्बा था जो स्कूल में पढ़ते उसे बार-बार घर पर बता कर जोर जोर से हंसना। धीरे-धीरे बचपन का वो विद्यालय छुटता चला गया समय आगे निकलता चला गया लेकिन स्कूल में जो पढ़ा वह सब आज भी याद है सारे हमारे गुरुजनों का स्नेह भरा आशीर्वाद मानो आज भी हमारे साथ है जैसे मेरे स्कूल के दिन मुझे याद आते हैं सोचती हूँ कि क्या आज की यह नई पीढ़ी भी इन दिनों को याद रख पाएगी या आधुनिकता की इस दौड़ में सब कुछ भूल के आगे निकल जाएगी ।।

शेखावाटी नगर में है यह आता ,
सब लोगों के मन को यह भाता ।
शिक्षा का सर्वोच्च शिखर यह ,
विद्यार्थियों के भविष्य निर्माता ।
शिक्षक बच्चों का भविष्य बनाते ,
हरदम उनका ज्ञान बढ़ाते ।
प्रधानाचार्या बच्चों को मार्ग दिखाती ,
सही समय पर उनका हौसला बढ़ाती ।
प्रधानाचार्य उनको पथ दिखलाते ,
उन्नति की वह राह दिखाते ।
शिक्षकगणों का एक है वादा ,
बच्चों करलो पक्का इरादा ।
उठो , जागो और बढ़े चलो ,
जब तक लक्ष्य की प्राप्ति न हो ।।
